

Dear Parents,

Please find below information for next week

### Year Six

A huge well done to all our Year 6 pupils at both schools who have handled this week well. They have been calm and taken it in their stride! You have all worked hard this year so that you were as ready as you could be to take the SATs. It is important to remember though that SATs don't measure everything that is unique about each one of you, we see these things every day in school and we are proud of every single one of you.

### FOLL Gardening Club

If you still need to pay for the gardening club please send your payment in to school (in an envelope labelled 'FOLL Gardening Club') as soon as you can. The money received for attending the club is used to fund purchases for the garden. Thank you
